

# Chad the Chewy Chicken

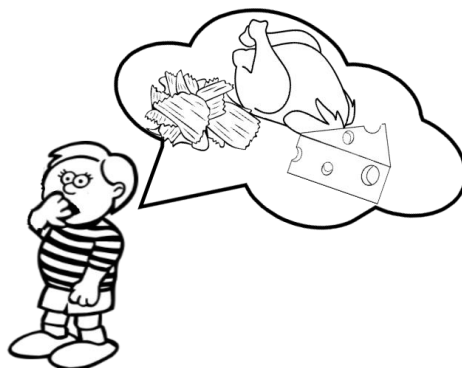

There was a chicken named Chad.

---

One day a chubby child saw Chad on a chair.

---

The chubby child thought "that chicken would be tasty with chips and cheese".

---

The chubby child chased Chad.

---

Chad thought “If I wear a sheep shirt, I won’t be so tasty”.

---

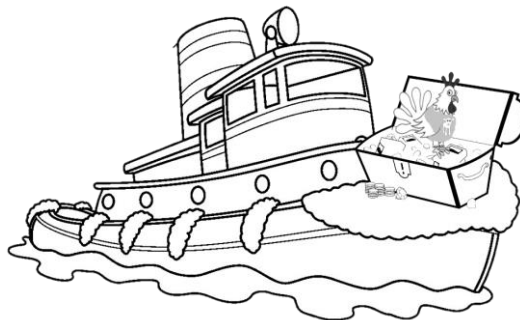

Chad changed into a sheep shirt. Now even more chubby children chased Chad.

---

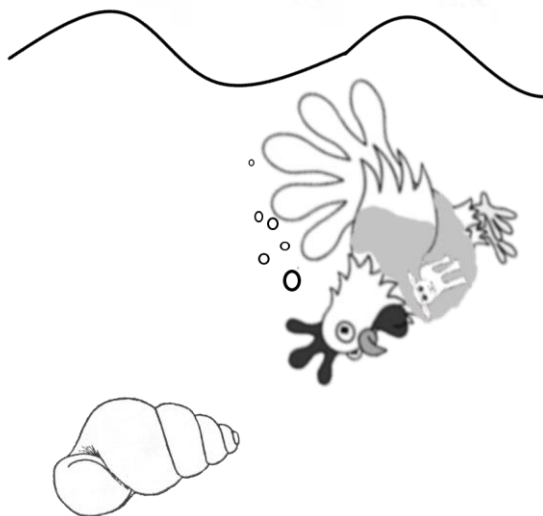

Chad thought “If I have a shell, I won’t be so tasty.”

---

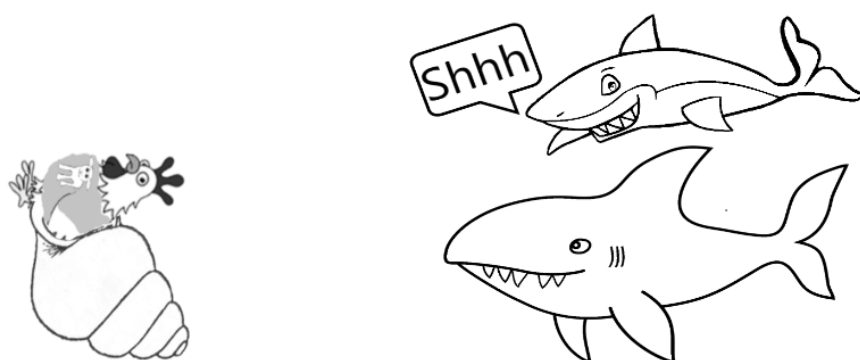

Chad ran from the chubby children onto a ship and shut the chest.

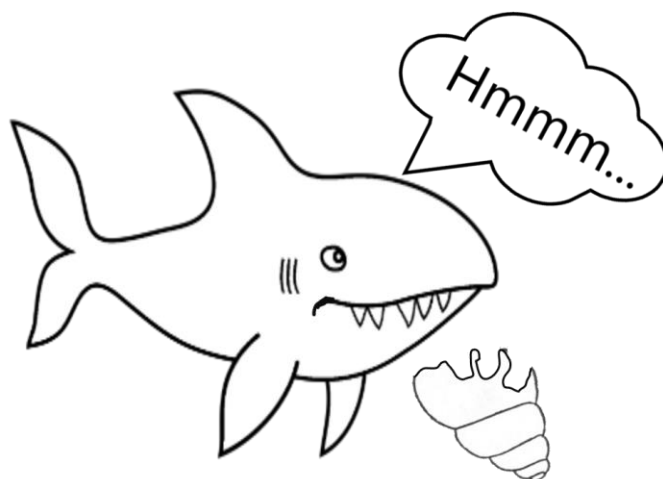

---

At sea, Chad jumped into the water, swam down and found a shell.

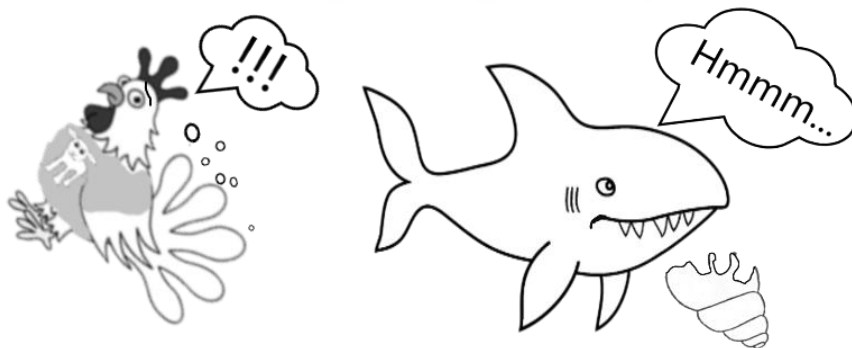

Along came a shark. “Shhhh” said another shark. “That chicken looks tasty”.

The shark chomped on Chad’s shell and said “Shame, that’s a chewy chicken.”

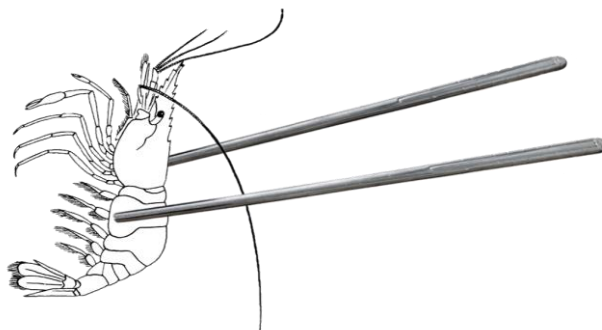

Chad changed his mind “I shouldn’t wear a shell – I’ll be shark chow.”

Chad had no choice left – he joined a pirate show.

Pirates don’t shower, but they eat chilled shrimp with chopsticks – no chicken.
