Berry Vest

Eva and Nini see a bee with the letter V on its **butt**. The bee lands on five big red round balls on a boy's **vest**. They hear the boy's voice: "Don't move – I have a **bomb** vest!"

"Silly boy," says Eva, "it's not a bomb, it's five very big **berries**, a **globe**, and two **gloves**!" "We love berries! Give us the berries!" the girls shout.

1) What letter is on the bee?

2) What are the five big red balls?

3) What do the girls want?
