### New Words

**blinding** – make it difficult to see;

The light is \_\_\_\_\_, I can't see anything.

**deep** – far down; far in; far from the surface;

The ball is too \_\_\_\_\_ in the water, I can't reach it.

**find** – discover; succeed in obtaining;

I looked everywhere but couldn't \_\_\_\_\_ my book.

**beyond** – past; farther/greater than something;

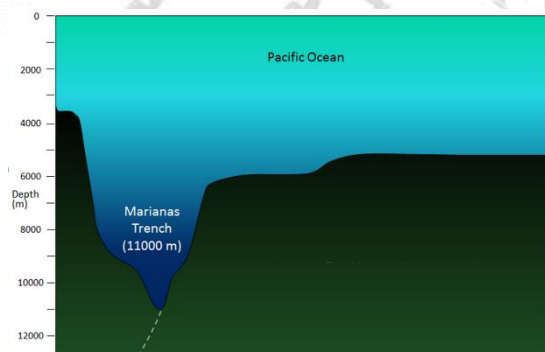

The road is \_\_\_\_\_ that yellow house.

**cross** – pass; go beyond something;

Do not \_\_\_\_\_ this line!

blinding light

11,000 meters deep

See the light as it shines on the sea?  
It's **blinding**  
But no one knows, how **deep** it goes

Look what I can find!

And it seems like it's calling out to me,  
so come **find** me  
And let me know, what's **beyond** that line,  
will I **cross** that line?

No dogs beyond here.

Don't cross this line!
