

Baboon Moo

A baboon on a roof wants to eat bamboo root, but its tooth is loose. The baboon put a loop around the loose tooth and pulled. “Mooooooooo....” said the baboon. Wow! Cows can say “moo”, baboons can say “moo” too!

1) Where is the baboon?

2) What does the baboon want to eat?

3) Why can't the baboon eat?
